## WASH EXTENSION POLE

PART #	DESCRIPTION	GPM	PSI	INLET	OUTLET	WT
<b>HTCP</b> AVW20	Wash Extension Pole, 20'	10.4	4500	M22-M	1/4"QCS	14

NOTE: Safely Clean Applications up to 3 Stories TEMP: 210°F

The highest rated, best equipped Wash Extension Pole on the market.

The Hydro Tek 20 foot wash extension pole system offers additional features and rigidity not found with other telescopic or extension wands.

This package includes a comfort brace gun holder, shoulder harness, 19' jumper hose, three sections of 6' poles, and spray head attachment.

Designed to accept Suttner ST1500 or Hydro Tek VG200 trigger gun. **Gun and twist coupler (AVGH0) not included, see below.**

No need to turn off power washer to change wands, trigger gun from pressure washer snaps easily into gun bracket. (Fits Suttner ST1500 or Hydro Tek VG200 guns.)
